Organic Marketing Campaigns

We use well-written content, proper on-page SEO, and the right Web 2.0 websites. And backlinks - plenty of them to rank your site well.

Silver Organic Marketing Campaign

1 Main URL
Additional Sub Domains for deep linking
Targets 3 Main Keywords

Each URL gets:

- * 3 500-word articles, each article will be submitted and promoted to 2 new article directories
- * 2 Article directory accounts created (These profile links are HUGE)
- * 30 Web 2.0 properties created about YOUR business
- * 30 additional do-follow backlinks from Web 2.0 Properties
- * 60 unique anchor text backlinks created
- * All content is pinged, RSS feed submitted and social bookmark creating well over 450+ additional backlinks.
- * A dedicated US Based VA spends 3 hours leaving comments on related blogs and forums for high PR back links
- * All pages are created by hand, not by automated software!
- * Keyword Ranking Report Provided
- * Links to live content provided

Gold Organic Marketing Campaign
